

# 2020 IMPACT REPORT

CREATIVE  
ACTS

Like everyone, we had to be creative in how we responded to the pandemic this year. Thanks to our partnerships with Soapbox and The Mask Crusaders, **we sent hundreds of masks and tens of thousands of bars of soap into California prisons.**

**Take a look at what else we did...**

Virtual Teacher Training, August

# Because of your support:

We brought systems-impacted and March For Our Lives teachers into **EVERY juvenile camp and hall in LA County** (virtually!) to teach them the importance of civic engagement and voting.

"As a first time teaching artist, and a 15-year-old youth organizer, the Art Attacks program was transformative...I was consistently reminded that the students inside were my age. A few weeks ago, they might have been sitting in my math class, but they were now locked away... Art Attacks is a powerful, pivotal program that **FOSTERS HOPE, CONNECTION, AND LOVE** in spaces where it may seem out of reach."

Ria Srivastava

"We were all talking after the first class and we were wondering if you could stay and **TEACH US ALL YEAR?**"

“This program is a  
**game changer.**”

Expert Advisor who spent thirty  
years in solitary confinement

After over 2 years of preparation, production of our new, specialized VR content began in November.

The Virtual Reality Reentry program is created in partnership with Sankofa.org and has been funded by The California Endowment, The California Arts Council and the California Department of Corrections and Rehabilitation for implementation in the spring/summer of 2021.

## Our #partyatthepolls initiative was a little different this year.

We usually ask artists to perform outside their polling stations to draw voters and keep them in the line, but in order to keep people safe, we asked artists to perform in their homes and send us the video/photos which we posted to encourage voters.

# ADVISORY BOARD

**This year we created our first Advisory Board.**

We are excited that it reflects our community and the population we work with-including systems-impacted, BIPOC, women, and youth members.

We will lead by example, continuing to center the voices of those most impacted in the growth of our organization.
